

Class I - Educational Trip to Science City

Date: 21 November 2025

Venue: Science City

A Day of Fun and Learning!

The excursion to Science City was a great learning experience for the students, who returned with big smiles and wonderful memories. It was a day that combined fun and education, making science and technology more accessible and enjoyable for all. The students were fascinated by the interactive exhibits, including robotic dinosaurs in the dark ride, a virtual reality experience and thrilled by the 3D show on space.
