

## **IIHM Junior Chef 2025**

### **First Round Highlights — The BSS School (Classes V to VII)**

The BSS School proudly hosted the first round of the IIHM Junior Chef 2025, celebrating young culinary talent from Classes V to VII. With enthusiastic participation and creative zest, our budding chefs showcased remarkable skills, passion, and innovation in the kitchen.

The first round focused on creative dish preparation, encouraging students to blend flavours, present aesthetically, and demonstrate basic culinary techniques. Each participant impressed the judges with original concepts, vibrant presentations, and a keen interest in food artistry.

This inspiring event not only highlighted the students' culinary abilities but also underscored values like teamwork, discipline, and confidence. It was a delightful experience watching our young talents push boundaries and embrace the joy of cooking.

Congratulations to all participants for their dedication and enthusiasm!
