

THE BSS SCHOOL

SYLLABUS 2026-27

MATHEMATICS

Class 12

BOOK- Bansal's ISC Mathematics class-12 (SCS)

-Ashish kumar Bansal, Piyush Bansal

UNIT TEST

- Determinant and Matrices
- Relation and Function
- Inverse Trigonometric Functions
- Continuity and Differentiability
- Differentiation

HALF YEARLY

- Determinant and Matrices
- Relation and Function
- Inverse Trigonometric Functions
- Continuity and Differentiability
- Differentiation
- Application of Derivatives
 - Rate Measure
 - Tangent Normal
 - Increasing and Decreasing Function
- Integration
- Maxima and Minima
- Vector Algebra
- Linear Programming

Final Examination

- Differential Equations
- Area under the curve

- 3- D geometry
- Probability

[All the chapters of Half Yearly Examination is included.]
